UFS Pack Redemption Form

Redemption Directions

On the back of every booster pack wrapper, there is a resource symbol with the word "Redemption" printed above it. These redemption packs can be traded in for promotional cards listed on www.jascogames.com/Redemption. Here you will find a redemption price listed next to a picture that tells you how many packs are required to trade in for each card. When you are mailing in your packs for redemption, you must also mail this form in order for your redemption order to be processed correctly. Please fill out the fields bellow and mail this form, along with your packs, to:

Jasco Games
2819 34th Street
Lubbock, Texas 79410
USA

*Packs sent to Jasco Games for redemption must include the redemption symbol on the back to be counted. You may also send just the Redemption Skulls taped to a sheet of paper as long as they are completely intact and legible, instead of the entire pack.
