UFS PTC events are carefully reviewed and all forms will be considered for approval based on location, attendance, and travel convenience. PTC Tournament Organizers must be able to host a minimum of 30 players in their venue and must provide housing information to players. The Tournament Organizer must charge an entry fee of \$20 per player to participate in the event, which will be used to pay for prize support and other costs.

Upon approval for a PTC event, tournament organizers are required to purchase a prize support kit (cost \$400). The Prizes in the kit must be distributed in accordance to the rules and guidelines contained inside the prize kit. We highly recommend taking pre-registration for these events to cover the prize support costs (20 players will pay for the entire kit).

A PTC event must have a certified Judge present for all games played. Judges are not allowed to participate in the event they are judging. Judges applications are available upon request at [UFSPTC@JascoGames.com](mailto:UFSPTC@JascoGames.com). If you do not have a judge and would still like to hold an event, you can hire a judge from Jasco Games to run your event. The organizer will be responsible for the Judge's air fare and housing for the duration of the event.

PTC events must be two days long. One day for qualifications and the second day for the final cuts. The prize support kit will provide information on how to run the event, how many rounds to play, and how many players will be in the top cut. You may hold side-events and non-standard events during these two days, but you may not charge additional entry fee unless you are giving away product for the event (such as a booster draft or sealed event).

The winner of the Pro Tour Circuit event will be awarded a plane ticket to Indianapolis and a first round bye in the main event. This will be paid for by Jasco Games for all approved and sanctioned UFS PTC events.

For additional information about hosting a UFS Pro Tour Circuit event, please contact us at [UFSPTC@JascoGames.com](mailto:UFSPTC@JascoGames.com) or call us at 806-368-5938.

By signing this you accept and agree to the terms listed within this contract and will vogue to honor the guidelines and requirements herein.
